PRICE TWO CENTS

FOUR ARE KILLED AND TWELVE INJURED

Bomb Filled With T. N. T.
Bursts in Fall From
Plane

WORST IN HISTORY

Was Rehearsing For Big Maneuvers
—Defective Holder Is Blamed For
Accident

Aberdeen, Md., June 1.—A 50 pound bomb filled with T. N. T. fell from a big De Havilland airplane this morning at the government proving grounds, as it was taking off for a test bombing flight, in rehearsal for the great army and navy maneuvers in Chesapeake Bay next week.

The bomb exploded with terrific force, killing four men and injuring twelve more. Of the wounded men, two will die.

Aberdeen officers declare that this is the worst accident that has ever occurred in the bombing service of army aeroplanes and until the board of investigation has completed its findings, are at a loss as to fix a definite theory of the cause. It is said that all precautions are taken to prevent such things as happened today.

No funeral arrangements have been made yet in regard to those who were killed. The injured are all at the Aberdeen Proving Grounds Hospital.

The tragedy casts a damper on the enthusiasm of the officers and men at the camp where extensive preparations had been made for the coming contest between air and sea armaments of the Nation.

The explosion occurred about 10:30 o'clock yesterday morning, while the plane was taking off in the first of a series of test bombing flights preparatory to the maneuvers to take place next week between the air service and the Atlantic fleet off the Virginia Capes.

Under the fuselage of the aircraft was a huge rack for carrying the explosives. This rack was fitted with mechanism for freeing the bombs for their flight to earth.

Four three hundred pound T. N. T. bombs and one fifty pound one were carried in this rack when the explosion took place. In some manner, it is believed, the mechanism became defective and let the smaller bomb out. At the same time the safety pin of the bomb must have come out, which is necessary, bombing experts state, for the bomb to explode. In the concussion that followed, neither of the larger explosives were affected.

Officers at Aberdeen were reluctant to discuss the probable cause of the explosion, as they state it is highly technical and hard to explain to the layman. Some of the officers advance the theory that the tail skids of the airplane must have struck the bomb, which brought about the mechanical action necessary to fire it.

A board of investigation has been ordered. It is composed of Major James Kirk, of the Ordnance Corps, as president; Captain Morbell Carroll, commanding officer of the Air Service at the Aberdeen Grounds; and Captain Ridley Stribbling, of the Ordnance Corps.

The dead:

Private Allen W. Sharrow, age 19, 14th Air Squadron, home address Hazelton, Pa.

Private Elmer H. Criswell, age 18, 14th Air Squadron, home address Belair, Md.

Corporal Raymond F. Bohle, age 23, 34th Ordnance Company, home address 2414 Orleans street, Baltimore.

Robert M. Herr, civilian, 2127 Maryland Avenue, Baltimore.

Fatally injured:

(Continued on Page Six)

MRS. LUCIE M. MANDER DIES

Mrs. Lucie M. Mander, wife of Carl W. Mander, died early last night at her residence, 304 Duke street. The deceased was a Miss Dodson. She is survived by her husband. Her funeral will take place at 4 o'clock tomorrow afternoon from her late residence. Services will be conducted by Rev. Dr. E. B. Jackson, pastor of the First Baptist Church, and burial will be in Bethel cemetery.

Moose Ladies Night

Inaugurate Series of Monthly Entertainments Last Night

Last night marked the initial Ladies Night for the Loyal Order of the Moose and Mooseheart Ladies Legion at the Hotel Rammel, this being the beginning of a series of monthly entertainments to the ladies of the Moose. Promptly at the appointed hour of nine, the ladies and their escorts were ushered into the beautifully decorated dining room where hand somely set tables covered with the colors of the order intermingling fern and flowers produced a most pleasing picture. The ladies, especially attired for the event, gave added color to the picture.

The occasion was presided over by J. H. McDonna, past dictator of the local lodge. Addresses were delivered by the ladies and officers of the lodge. Professor Padgett assisted by W. E. Dohman furnished the music for the dancing.

New Fire Chief

E. J. McDermott Has Two Fire Calls On First Days' Work

Edward J. McDermott, who recently was elected chief of the fire department, today assumed the duties of that position. He was chosen to succeed Kenneth W. Ogden who recently resigned. The new fire chief has been an active volunteer fireman for the past eighteen years, being a member of the Columbia Fire Company.

The new chief had two runs today. The first alarm at 8:35 o'clock this morning was caused by an overheated oil stove in a house on the north side of Duke between West and Peyton streets, and the second alarm shortly after 1 o'clock this afternoon was caused by a fire in an automobile at the residence of Mayor J. M. Duncan, 916 Prince street. Both fires were extinguished before any material damage was done.

Speaking Tonight

Members of Board and City Council Urged to Attend

The members of the City School Board, the Chamber of Commerce and the City Council are especially invited to hear the address of Mrs. Winifred Sackville-Stoner at 8 o'clock tonight at the Chamber of Commerce. Seats will be reserved for them. Mrs. Stoner has a wonderful message for all interested in educational work.

Sister Bertha Buried

Funeral Services Attended by Large Crowd

Last rites for Sister Bertha, who was a teacher in the commercial department at St. Mary's Academy and who died Sunday morning at Georgetown University Hospital, Washington, were held at 10 o'clock morning and it was one of the most largely attended funerals held in this church in recent years. The school children of St. Mary's Academy and the Xaverian Brothers School attended in a body. A solemn high mass was celebrated and the celebrant was Rev. Louis Smet, pastor, and Rev. Father Delaney, C. S. C., was deacon and Rev. E. A. McGowan, subdeacon. Occupying seats in the sanctuary were Rev. L. F. and Joseph J. Kelley.

pallbearers were William Desmond, T. E. Dyson, F. T. Quinn, George A. Mayer, T. F. Kelly and John T. Downey. Burial was in St. Mary's cemetery.

Mrs. Baggett announces the marriage of her sister, Miss Bertha Lumsford, to Mr. Charles A. Dean, which took place in Baltimore, May 21, 1921, Rev. Robinson, officiating.

NOTICE

Due to the shutting down of the Pumping Plant of the company for two days to clean and repair the Raceway, the water level in the reservoirs will be somewhat lower and the pressures over the company's low service system reduced about two pounds. The indulgence of our consumers is requested during these necessary repairs.

COUNCIL DEFEATS MAYOR'S VETO

Bond Issue of \$300,000 Sustained by Lower Branch

FINANCES DISCUSSED

Chairman Ticer Tells Council if \$300,000 Bond Issue Was Adopted City Could Only Borrow \$81,509 More.

Common Council at a special meeting held last night by a vote of 11 to 4 defeated the veto of Mayor James M. Duncan to the ordinance providing for a bond issue in the sum of \$300,000. The vote was taken on the proposition after considerable discussion.

The mayor in a communication to council among other things said: "I am not able to lend my approval to this ordinance for the reason that it does not seem to conform to recognized business principles, nor to meet the urgent requirements and absolute necessities of the city."

Mayor Duncan all along favored a \$600,000 bond issue that being his original recommendation to council. He set forth among other things that the whole of the proposed \$300,000 bond issue would be required to pay present indebtedness and there will be nothing left for improvements. He directed attention to the need of an appropriation for a new school of sixteen rooms and the remodeling of Washington school building by enlarging it from eight to twelve rooms and of the need of an appropriation of \$110,000 for this work. He also called attention to the need of a sewer near Rosemont.

Councilman Ticer, chairman of the finance committee, stated he regretted that the mayor had seen fit to veto the ordinance and he said he took exception to a statement that the ordinance was "misleading." The original ordinance he explained provided for a bond issue of \$250,000 and the committee realized a change necessary and recommended \$300,000. He reviewed the financial condition of the city and said he did not think it an opportune time in which to float a \$600,000 bond issue. On a \$600,000 bond issue it would take he said four tenths of the principal to pay the interest and sinking fund provided for. There are at present a total of \$868,700 bonds outstanding and he added if \$600,000 bonds were issued the city would only be able to borrow \$81,507.70 more practically being up to its limit with bonds and he added he did not think the city council sell the bonds if they were offered. Mr. Ticer estimated that the appropriation bill for the coming year will total \$286,000 and provision will be made to finance a new school.

Councilman Fletcher asked Mr. Ticer did he not think the expenditure of the money on streets would enhance the value of property and he recited the need of additional school facilities saying many children now were only attending one session at the schools.

President Burke made a speech opposing a \$600,000 bond issue and said conditions are not ripe now for the floating a large bond issue. He expressed himself as favorable to giving the children all of the education possible. He, however, thought a program of thrift should be inaugurated now and hoped the city would move conservatively.

Councilman Downham expressed himself in favor of the \$300,000 bond issue and said if the money cannot be obtained at one bank to go to some other. He also favored the construction of a sewer at Rosemont.

Councilman Lawler thought the city should pay its debts first and favored deferring action on a great bond issue until \$300,000.

Those for sustaining the mayor were Messrs. Downham, Drury, Fletcher and Dovers and those against him were Messrs. McAffrey, Matter, Ticer, Kaufmann, Wattles, Desmond, Sullivan, Baggett, Ballenger, Lawler and Burke.

The board of aldermen it is expected will hold a meeting shortly for the purpose of taking action on the mayor's veto.

Previous to the special meeting of common council there was an adjourned meeting of both branches of city council at which time an ordinance granting the Alexandria County Lighting Company permission to continue the prevailing rates for a period of one year from June 1 1921 was granted. Councilman Sullivan voting in the negative.

Other minor matters taken up and disposed of will be found in the official proceedings.

SALVATION ARMY LADIES' REPORT

Committee Makes Report Showing Considerable Success in Appeal

PLAN SUMMER CAMPS

Little Ones to be Entertained During Hot Summer Months by This Organization

At the meeting of the ladies' committee held this morning at the chamber of commerce a most satisfactory report was brought in, and the ladies wish to thank the public for the generous response made to their efforts.

One of the most interesting pieces of work undertaken by the Salvation Army are the summer camps all over the United States accommodating 50,000 children.

One mile from Church Hill, Richmond, Virginia, there are two Salvation Army camps, one for boys and the other for girls, ranging from 10 to 18 years of age. Swimming and all sorts of sports and suitable athletics are provided for them.

An expensive outing is sometimes not possible for a number of children and all that will be needed on the part of the parent is the transportation. All who apply to Captain McIntyre will be gladly accepted and he will make all necessary arrangements, for there are many boys and girls whose whole physical condition needs to be strengthened by a holiday in the country and also the religious influences of the Salvation Army camps are most beneficial.

The ladies committee are happy to be associated with so fine a project.

Dies This Afternoon

Mrs. Mary Ellen Zimmerman, wife of John R. Zimmerman, died at 1 o'clock this afternoon at her residence, 118 North Alfred street, after a long illness. The deceased was a well known resident and the announcement of her death was received with regret by her many friends. Mrs. Zimmerman was a daughter of the late Ellis Price and was a native of Alexandria.

Besides her husband she is survived by two children, Miss Laura J., and J. R. Zimmerman, Jr. The funeral arrangement have not yet been completed.

NOTICE

The railroad bridge on north Washington street extended, will be closed because of highway road construction from June 3 to June 10.

130-3p. Corson and Gruman Co.

Death Of Old Resident

Mrs. Julius Pelton Dies This Morning

Mrs. Maria Angalls Pelton, eighty five years old, widow of Julius Pelton, died at 3:15 o'clock this morning at the residence of Mrs. G. William Ramsay, 517 Cameron street. Her death followed an illness of more than three weeks and was due to the infirmities incident to her advanced age. Mrs. Pelton for more than twenty years had made her residence in this city and has a large circle of friends who will regret to hear of her death.

Funeral services will be held at 10:30 o'clock Friday morning at her late residence and will be conducted by Rev. Dr. P. P. Phillips, formerly rector of St. Paul's Episcopal Church. The body will be shipped to Newton, Mass., and buried beside her husband who for many years was a justice of the peace in this city.

NOTICE

Previous to the special meeting of common council there was an adjourned meeting of both branches of city council at which time an ordinance granting the Alexandria County Lighting Company permission to continue the prevailing rates for a period of one year from June 1 1921 was granted. Councilman Sullivan voting in the negative.

Other minor matters taken up and disposed of will be found in the official proceedings.

BIG SLASH IN R. R. WAGE BILL ORDERED

Twelve Per Cent Reduction Effective July First

MANY ARE AFFECTED

Thirty-One Organizations Involved. Applies to 104 Lines—Expected 22 Per Cent Cut

Chicago, June 1.—An estimated \$400,000,000 will be slashed from the nation's railway wage bill when an order cutting wages an average of 12 per cent, be handed down tomorrow by the United States Labor Board becomes effective July 1. The order affects members of 31 labor organizations, employed on 104 railroads.

While the decrease is specifically applied only to the railroads, whose cases have been heard by the board, the decision says it may later be applied to any other road asking a hearing under the provisions of the Esch-Cummings Transportation act.

Percentages of reductions computed by members of the board gave the average of 12 per cent, and the same source estimated the annual reduction in wages at approximately \$400,000,000.

The Railroad Labor Board recently reclassified the various employees in connection with railway operations, and this, it was pointed out, may have some effect on labor costs.

The board also, a few weeks ago, ordered abrogation of the national working agreements, to become effective July 1. At the hearing on these agreements railroad witnesses estimated savings in labor cost as high as \$300,000,000 annually. This would be in addition to the saving possible through the current wage reduction decision.

The decision grants reductions varying from 5 to 13 cents an hour, or from 5 to 18 per cent, and in the case of section laborers completely wipes out the increase granted that class of employees by the \$600,000 wage award of July 20, 1920. For section men, the reduction was approximately 18 per cent. Switchmen and shop crafts were given a 9 per cent reduction while the train service men were cut approximately 7 per cent. Switchmen and shop crafts were given a 9 per cent reduction while the train service men were cut approximately 7 per cent. Car repairers were cut about 10 per cent.

Common laborers' pay, over which the railroads made their hardest fight, is to be reduced 6 to 8 1/2 cents an hour, cutting freight truckers' average monthly wages to \$97.10 and truck laborers to \$77.11. This new schedule gives section men an average daily wage of \$3.02 for an eight hour day, although considerable testimony offered by the roads, particularly in the South, showed common labor wages as low as \$1.50 for a 10 hour day.

Shop crafts employees and train and engine service men except those in passenger service are reduced 8 cents an hour. Construction and section foremen are reduced 10 cents an hour.

Passenger and freight engineers who were given increases of 10 and 12 cents an hour by the 1920 award are to be cut 6 and 8 cents an hour, respectively. Passenger and freight conductors who received increases of 12 1/2 and 13 cents in 1920 are cut 7 1/2 and 8 cents, respectively, by the new schedule.

Train dispatchers and yard masters whose monthly earnings at present average \$260 to \$270 are cut 8 cents an hour.

The smallest reduction will apply to office boys and other employees under 18 years of age, who will receive 5 cents an hour less after July 1.

Clerks are reclassified, so that entering clerks, usually young men and women of 18 to 20 years of age, will receive a monthly salary of \$67.50 for the first six months and \$77.50 for the second six months in service. Clerks with less than one year's experience now receive \$120.

A new monthly schedule for floating equipment employees on ferries, tugs and steam lighters gives captains \$200, engineers \$190, firemen and oilers \$140. On lighter- and barges captains will receive \$120 to

NINETY-EIGHTH ANNUAL EXERCISES

Sermon Tonight at Episcopal Theological Seminary

EXERCISES TOMORROW

Ordination Services at 11 O'clock Friday Morning Will Complete Program at This Institution

The ninety-eighth annual commencement exercises of the Theological Seminary of Virginia will open at 8 o'clock tonight in the chapel of that institution with a sermon before the Students' Missionary Society by the Rev. H. Percy Silver, D. D.

The commencement exercises will be held beginning at 10 o'clock tomorrow morning and at 11:30 o'clock an address to the graduating class will be delivered by the Rev. James E. Freeman, D. D., and at noon the alumni meeting. The essayist will be the Rev. Ernest M. Stires, D. D., L. H. D. At 2 o'clock the alumni dinner will be served and the new Packard-Laird Memorial Library will be opened.

The exercises will come to an end at 11 o'clock Friday with ordination services. The sermon will be preached by Rt. Rev. William A. Guerry, D. D.

Automobiles will leave Union Station, (both electric and steam car stops) for the Seminary on Thursday and Friday between 9 and 11 a. m., returning each day between 4 and 6 p. m. The Seminary furnishes transportation for alumni and visiting clergy.

Portrait Unveiling

Dr. Barrett, This City, To Make Presentation Speech

Dr. Kate Waller Barrett, of this city, will make the presentation speech at Annapolis, Md., tomorrow when a portrait of the late Governor Francis John Thomas of Maryland which will be presented to the state of Maryland by his niece, Mrs. Moran, of Washington, will be unveiled in the hall of the House of Delegates at 4 o'clock in the afternoon.

Governor Ritchie will receive the portrait on behalf of the state. President Harding, Secretary of Navy Denby, Admiral Scales and other naval officials have been invited.

Following the presentation Mrs. Moran will act as hostess at a garden party on the lawn of the State House and 150 guests have been invited. This will be followed by dining in the executive mansion.

WHOLESALE TOBACCO STORE OPENS HERE

J. S. Blackwell and Son have opened a wholesale tobacco store at 1117 King street. Mr. Blackwell expressed himself as well pleased with business thus far and says he later expects to secure larger quarters. Formerly he was engaged in business in Charlottesville, Va., and for seventeen years was district manager for the Liggett, Myers Tobacco Company.

Out For Legislature

E. W. Jordan, of Arlington County, Enters Race

With the entry of E. W. Jordan, of Clarendon, Arlington county, into the race for the legislature, announced today, the fight becomes a triangular one. The already avowed candidates for the office are Attorney Charles Henry Smith and J. W. Collins, the latter a machinist in the Southern Railway shops here. The candidates who will be chosen will represent this city and Arlington county in the legislature. Mr. Jordan is assistant manager of the Washington Baseball Club and well known in the upper section of the county.

Mrs. Sarah Hammond

Death Occurs This Morning—Funeral Friday Afternoon

Mrs. Sarah Virginia Hammond, seventy-seven years of age, died at 10:35 o'clock this morning at her residence 13 Cedar street, Rosemont. The deceased had been in failing health for a long time, although she had been confined to her bed for the past four weeks. She enjoyed a wide circle of friends who will regret to learn of her death. Mrs. Hammond was the widow of J. W. Hammond.

She is survived by the following children: Edgar H. Hammond, Harry Hammond and Mrs. Harry Newton. Her funeral will take place at 4 o'clock Friday afternoon from her late residence and services will be conducted by Rev. Robert Browne, pastor of the Methodist Protestant Church, and Rev. Raymond W. White, of Baltimore.

Burial will be in the Presbyterian cemetery.

FOR SALE—Overland touring car, 8 No. 1 condition. Reasonable. Apply 421 North Alfred street. 130-3p

Masonic Visitation

100 Members of Alexandria-Washington Lodge To Go To Philadelphia Tomorrow

A delegation of about one hundred members of Alexandria-Washington Lodge of Masons will leave tomorrow morning for Philadelphia to make a visitation to William L. Elkins Lodge of Philadelphia, and participate in the celebration of the lodge of its thirteenth anniversary. The Alexandrians will leave on the 6:45 o'clock train and enroute in Washington at 8 o'clock for the Quaker City. The Alexandrians plan to return home early Friday morning.

To Bury War Hero

Rites for Alpheus Robey Killed in France at Arlington Tomorrow

Funeral services for Private Alpheus C. Robey, a member of Company H, 116th Infantry, will take place at 2:30 o'clock tomorrow afternoon at Arlington Cemetery at which place the interment will be made. Mr. Robey died overseas July 25, 1918, as a result of accidental gunshot wound. The deceased was the first Alexandrian to lose his life in France in actual service. He was a member of the old Alexandria Light Infantry and served on the Mexican border.

Legion to Entertain

With Motion Pictures

At a regular monthly meeting of the American Legion to be held Friday evening, June 3rd, at the chamber of commerce, at 8:15, there will be an unusual feature of entertainment to which the public is cordially invited. Motion pictures of two crack divisions in action on the front in France will be shown. These pictures were taken by the U. S. Signal Corps and are official war department records of the fighting.

They are the two pictures of the 29th, and 4 reels of the 80th, divisions.

TRIPLE A'S NOTICE

There will be a special meeting at the club hall Wednesday night at 8 p. m. Every member is earnestly requested to be on hand, as very important business will be acted on. Come up.

THE BLUE RIBBON SHOE CO.

Is Still Running Cut Prices We Use The Best Materials 407 King Street 110-26c.

PUBLISHED EVERY AFTERNOON
except Sunday
By the Alexandria Gazette Corporation
217 King Street, Alexandria, Va.
HOWARD W. SMITH, President and
Treasurer
WILLIAM A. SMOOT, Vice-President
MICHAEL E. DWYER, Editor

Entered at the Postoffice at Alexan-
dria, Virginia, as second class matter.

Out of Alexandria will
the Rut. soon have an op-
portunity to say
whether she means to join
the growing ranks of pro-
gressive American munici-
palities adopting the "city-
manager system of govern-
ment or whether she intends
to shirk along in the same
old rut under the loose-jointed,
responsibility-divided,
costly, cumbersome and in-
effective system she now has.

It is absurd for a city like
Alexandria, with business
affairs which could be ably
administered by one compe-
tent level-headed business
executive, to continue to
have them scattered in the
hands of a complex, double-
grouped, necessarily slow-
moving band of twenty-four
councilmen. No crowd of
people in the world engaged
in any kind of an enterprise
would hire twenty-four men
to do what one could and
should properly perform.
They would not do it, in the
first place because they
would not waste their money
that way; in the second place
because they would not
stand for the hesitations,
haltings, bickerings and con-
sequent inaction that at-
tends decisions reached by
twenty-four men. Only thou-
sands of people, grouped in
cities and engaged in the
most necessary of all busi-
nesses, that of governing
themselves, seem to think it
logical and desirable to vio-
late all the laws of business,
economics and sound com-
mon sense and trust to luck
to have their municipal gov-
ernments run themselves.

The proposed substitute
for the present out-worn
system promises many ad-
vantages which trial in
other cities has already
amply demonstrated. Unity
of command, so essential to
all pieces of business, wheth-
er it is building a house or
running a World War, as-
sures quick, decisive, pur-
poseful action.

Centralization of delegat-

ed authority and therefore
of responsibility fixes credit
or blame where they are
due. The hiring of one man
to do the city's business re-
moves the administration of
the city's government from
the realm of peanut politi-
tics to that of practical busi-
ness efficiency. The hired
man either makes good or
he gets fired.

As things now stand, we
cannot help but feel very
much like a big crowd of
people in a big automobile
with twenty-four different
men all trying to grab the
steering wheel.

BIG SLASH IN R. R.

WAGE BILL ORDERED

(Continued from page one)
of rates will depend upon the effect
upon the net earnings of the rail-
roads.

S. M. Felton, president of the
Chicago, Great Western Railway, de-
clared that the decision was "very
disappointing."

"The railways believed that the
reductions in the cost of living and
in wages in other industries would
justify an even larger reduction of
railway wages than the advance
granted last summer, and that the
financial conditions of the railroads
and the condition of general business
demanded it," he said.

"The relief granted to the roads" is
relatively so small as to preclude
early consideration of any substantial
reduction of freight and passenger
rates, although where discriminations
exist or where it is shown that the
rates are seriously hindering the
movement of traffic change in them
will be made."

DEATHS

ROBEY—The funeral of Alpha
ROBEY, of Company H, 116th in-
fantry, who died overseas, will take
place at 2:30 o'clock tomorrow af-
ternoon at Arlington National cem-
etery. Relatives and friends in-
vited to attend. 130-1p.

HAMMOND—On Wednesday, June
1, at 10:30 a. m., in her 78th year
of age, SARAH VIRGINIA, widow
of the late James W. Hammond.
Funeral from her late residence,
13 Cedar street, Rosemont, Friday
afternoon at 4 o'clock. 130-2p.

MANDER—May 31, at her home, 304
Duke St., LUCIE M. MANDER,
wife of Carl W. Mander, daugh-
ter of Lemuel and Mary Dodson.
Funeral Thursday, June 2, at 4
p. m. 130-1p.

PELTON—On Wednesday, June 1,
1921, at her home, 517 Cameron
street, MRS. JULIUS PELTON.
Funeral services at 10:30 o'clock
Friday morning June 3 from her late
residence. Burial in Newton cem-
etery, Mass. All friends invited to
attend. 130-1p.

HOURLY REDUCTION FOR

R. R. MEN ORDERED

Reductions per hour for the various
classes of employees ordered by the
Railroad Labor Board follows:
Clerks (two or more years' expe-
rience, 6 cents; less than one year,
6 1-2 cents.

Train callers, announcers, gatemen
and other station employees, 10 cents.

Office boys and others under 18, 5
cents.

Station and warehouse freight
handlers, 6 cents.

Common laborers, 8 1-2 cents.

Maintenance of way and struc-

tural foremen and inspectors, 10
cents.

Building mechanics' helpers, 7 1-2
cents.

Track laborers, bridge tenders,
pumpers crossing watchmen, 8 1-2
cents.

Laborers around shops, 10 cents.
Shop craftsmen, apprentices and
helpers, 8 cents.

Hostlers and helpers, 8 cents.
Passenger conductors, ticket collec-
tors, baggage men, flagmen and
brakemen, 7 1-2 cents.

(Continued on Page Five)

PUBLIC SALE SUMMER'S FAC- TORY PROPERTY ON PITT STREET BETWEEN KING AND PRINCE STREETS

By virtue of a decree of the Cor-
poration Court of the City of Alexan-
dria, Virginia, rendered May 12,
1921, the undersigned, who by said
decree were appointed Special Com-
missioners for that purpose, will, on
Saturday, the 4th day of June, 1921,
at 12 o'clock A. M., in front of the
Royal Street entrance to the Market
Building, Alexandria, Virginia, offer
for sale at public auction, all that lot
of ground with the factory buildings
and improvements thereon situated
on the west side of Pitt Street, be-
tween King and Prince Streets, and
bounded as follows:

BEGINNING on the west side of
Pitt Street 127 feet, 6 inches more
or less north of Prince Street, and
running thence west parallel with
Prince Street, 117 feet, 11 inches
more or less to an alley; thence north
along said alley parallel with Pitt
Street 49 feet, more or less; thence
east parallel with Prince Street 127
feet, 11 inches more or less to Pitt
Street; and thence south along Pitt
Street, 49 feet more or less to the
point of beginning, together with
the use of said alley, and all rights
and appurtenances to the same be-
longing.

chase money in cash on the day of
sale, and the residue thereof payable
in two equal annual installments at
one and two years from date of sale.
The deferred installments of the pur-
chase money to be evidenced by the
notes of the purchaser bearing inter-
est at the rate of 6 per cent per an-
num from the date of sale until paid.
Title to be retained until the payment
of the purchase money in full. The
successful bidder to make a deposit
of \$150.00 when the property is
struck off. The residue of the cash
payment to be made within 10 days
from date of sale. The conveyan-
cing at the expense of the purchaser.

James R. Caton, Jr.,
Frederick G. Davlin,
Richard B. Washington,
Special Commissioners.

I, N. S. Greenaway, Clerk of the
Corporation Court, of the City of
Alexandria, Virginia, do certify that
James R. Caton, Jr., Special Com-
missioner as above stated, has execu-
ted bond before me with approved
surety in the penalty of \$3,000.00
conditioned as required by the decree
of sale above mentioned.

Nevel S. Greenaway,
120-130 Clerk, Corporation Court.

CITY NEWS IN BRIEF

Sarcopa Lodge of Odd Fellows to right will confer the initiatory degree of the order on a class of candidates.

Canton Alexandria No. 1, I. O. O. F., will meet on Thursday night at Odd Fellows Hall to confer the Patriarch Militant degree.

Mrs. A. J. Pound and children, of Baltimore, are spending a few days with the former's parents, Mr. and Mrs. A. J. McCarthy, on Queen street.

The Southern Methodist and Second Baptist teams of the Sunday School League will play at 5:30 this afternoon on Baggett's field.

D. R. Stansbury, president of the Mount Vernon Division Commuters' Association, Washington-Virginia Railway, has called a meeting of the executive committee for important business next Friday night at 7:30 o'clock in Westminster Building.

Mr. J. W. Smith of Palatka, Fla., and A. O. Henry, of Columbia Lodge Loyal Order of Moose, are registered at the Hotel Rammel since Sunday, and last night attended the Moose ceremonies.

SPORTS

The following communication has been received from the Maplewood A. C., of Baltimore, Md., dated the 20th ultimo:

Mr. E. R. Allen, Manager, Dreadnaught A. C.

Dear Sir:

Our team for the coming Sunday will be as follows: Ashmier from Reading, of the International League, first base, Scherman, third base, Schiefer from the Army and Navy S. S., Brown, left field, Faith, from the Baltimore Dry Docks, second base, Swigler, right field, Boise, right field, Streb, from Martinsburg, of the Blue Ridge League C. F., Ellis C., and Brandon, of Montreal, pitcher.

This is to comply with agreement between our clubs to furnish lineups five days prior to game.

Hoping for an interesting game, we are cordially,

Maplewood Athletic Association, Jno. Scherman, Mgr.

DON'T DO THIS!

A. O. Leonard, Inc., 70 5 h Avenue, New York

Next Sunday a contest in baseball is looked for that will offset the disappointment of the past week end as the Maylanders have a fast club with a reputation that is known over several states. This team has won 14 straight games so far this season and in practice games have defeated nine in the International League and have on two occasions defeated opponents who held championship honors in other states thereby winning exceptional laurels and ranking themselves in the big league class.

This team is required by agreement to be on hand to insure against disappointment and only bad weather or some unforeseen interruption can prevent the game. The game starts promptly at 3 o'clock, and if you are looking for a good game, come out.

Sunday, the Triangle Sport Club journeyed to Washington where they played the Trinity A. C. The game was played in "Knicks' Hollow" of Georgetown. This game was a fast and well played game, the score ending in an 8 to 8 tie. Rain stopped the teams from playing off the tie after the 9th inning. Trinity in its efforts to win used five pitchers and three catchers, while the T. S. C. took confidence in Smith, as twirler and Fletcher and Lawler as receivers. Kelly's fielding and the batting of Ramage, Duty and Edwards were features of the game. Smith ended the game with twelve strike outs.

Decoration Day the T. S. C., met the Hilltop A. C., in Washington.

New Strength and Energy For the Weak and Aged

To be strong, vigorous and active you must have plenty of good, rich, red blood of the kind that organic iron—Nuxated Iron—helps make. Nuxated Iron is like the iron in your blood and like the iron in spinach, lentils and apples. While metallic iron is iron just as it comes from the action of strong acids on small pieces of iron. Over 1,000,000 people annually are using Nuxated Iron. It quickly helps make rich red blood, revitalizes worn-out, exhausted nerves and gives new strength and energy. At all druggists. Beware of substitutes. Always insist on having genuine

NUXATED IRON
For Best Blood, Strength and Endurance

"Suicide By Inches"

Thousands of people commit suicide by inches! If you took minute daily doses of some poisonous drug, no particular effect might be noticed until accumulation of the poison made its action evident.

Yet how many realize that poisonous substances are formed constantly during digestion and the preparation of the food waste for elimination.

If the bowels act regularly and thoroughly, these poisons are eliminated. But if constipation exists, there results stagnation of intestinal waste, germs multiply; and poisons are formed and carried by the blood to every cell of the body.

The victim of self poisoning commits suicide by inches. Pills, castor oil, laxative waters and salts only force and irritate the bowels, and make constipation a habit.

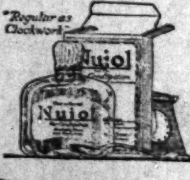

Nujol works on an entirely new principle. Instead of forcing or irritating the system, it simply softens the food waste. This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.

Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

Nujol is absolutely harmless and pleasant to take. Try it.

Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger."

The Modern Method of Treating an Old Complaint

Nujol
For Constipation

VIRGINIA NEWS

According to the reports of the U. S. Forestry Service, in cooperation with the various State Forestry Departments, during the last 5 years, about 220,000 acres of land have been burned each year in Virginia and the destruction to property has amounted to about \$650,000 per year on the average. This figure includes only the actual reduction in the sale value of property due to forest fires, and does not include the injury to the soil, through the burning up of the humus, the reduction in the producing capacity of the forests or the resulting scarcity of the products of the forests. The growth of timber in Virginia does not equal the cut, according to statements of the Virginia Forestry Department.

Charlottesville, Va.—A collection of ten gold Spanish dollars once owned by George Washington's sweetheart, Mary Cary, the famous colonial beauty, were turned over to the centennial endowment fund of the University of Virginia today by George W. Fleming, of Society Hill, S. C. Mrs. Fleming is a descendant of Mary Cary, who married Edward Ambler.

More pilgrimages were made to the tomb of George Washington during the past year than in any other similar period of the nation's history. Exactly 245,941 paid admissions were collected at gates, an increase of 46,386 visitors over the previous fiscal year, which began May 1 and ended April 30, 1920. Total admission to the grounds at Mount Vernon during the fiscal year which ended April 30, amounted to \$7,462.11, from which source and other revenues were paid the necessary expenditure for the upkeep of buildings and grounds.

Harrisonburg, Va.—As a result, it is said, of trying to act as a peace maker in a quarrel at a mountain home, in the foothills of the Blue Ridge early Sunday morning, "Dash" Garrison, 89 years old, was stabbed to death. Edward Shift, 35, is being held in the county jail here in connection with the death to await the action of the grand jury. Robert Lawson is also being held on suspicion of having had a part in the serious cutting of Henry Raines, in whose behalf Garrison interceded.

Charlottesville, Va.—Following 8 months of preparation, the University of Virginia centennial celebration opened here Tuesday with 5,000 delegates, alumni and invited guests in attendance.

POLITICAL ANNOUNCEMENTS

I hereby announce myself a candidate for the office of city tax collector subject to the decision of the democratic primary August 2, and respectfully solicit your support.

123-14. Very truly, F. F. Gorman.

To the voters of the city of Alexandria:

Ladies and Gentlemen:

I hereby announce myself a candidate for the office of clerk of gas, subject to the decision of the democratic primary, August 2nd, 1921. 122-6c FREDERICK H. SCHNEIDER

I hereby announce myself a candidate for the office of clerk of the gas. Owing to the fact that I am kept busy with the work in this office, it will be impossible to see the voters personally, and I, therefore, respectfully solicit your support subject to the decision of the democratic primary August 2. 123-12c. Frederick W. Ebhardt

To the voters of the city of Alexandria:

I hereby announce myself a candidate for the office of clerk of gas, subject to the decision of the democratic primary, August 2nd, 1921. 120-8p. Carter H. Smith.

I respectfully announce that I shall be a candidate for re-election to the office of Commonwealth's Attorney subject to the Democratic Primary, and solicit the support of the voters of this city. 121-1 f c Howard W. Smith.

Gas Buggies---Did it ever happen to you?

icate has purchased the plant of the defunct Norfolk Tribune, in Norfolk, and will begin the publication of another newspaper in that city within three weeks. It is understood that the newspaper will publish both morning and evening editions and a Sunday morning edition.

Richmond.—Richard McIlwaine was yesterday appointed judge of the law and chancery court of Norfolk by Governor Davis to fill the unexpired term on that bench. The appointment, according to law, will last until 30 days after the next legislature convenes. The general assembly will meet in Richmond January 12, 1922, and will have 30 days to fill the post.

Harrisonburg.—While on his way to Rawley Springs with his fiancée to spend the day picnicking with the pupils of the Linville-Edom high school, of which he had been principal for the term just closed, Lucius S. S. Fletcher was killed almost instantly when his small runabout automobile was hit by a Southern passenger train on a crossing five miles north of Harrisonburg at about 9:30 o'clock this morning. The young woman with him saw the danger and jumped out of the car and was uninjured.

Harrisonburg.—Mrs. Mary Supinger, a granddaughter of John Ignatius von Effinger, one time commander of George Washington's body guard, died at her home in Woodstock Sunday night.

INGROW TOE NAIL

TURNS OUT ITSELF

A noted authority says that a few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night. "Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.

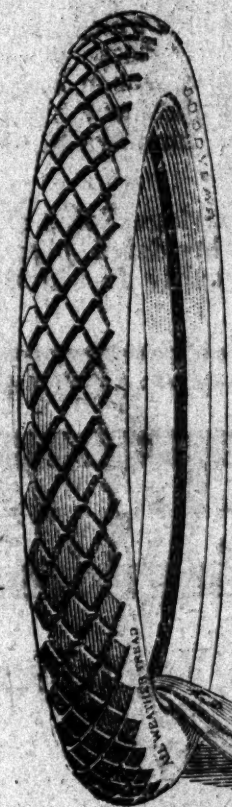

ADMINISTRATOR'S NOTICE

Having qualified as administrator of the estate of Samuel J. Bonner, I hereby request that all persons owing his estate to make prompt settlement of same with me and all persons who have claims against said estate to present them duly certified for payment within thirty days from May 27, 1921.

Robert W. Marshall, 227 Second Street, N. E., Washington, D. C. 126-6p. Administrator.

These Better Tires Are Now Lower Priced

Two important factors underlie the remarkable values now offered in Goodyear Tires and Tubes. One is the many improvements made in them during the past few months; the other is the price reductions we have just put into effect.

A conspicuous example of the values now to be had in Goodyear Tires is our clincher type 30x3 1/2-inch Goodyear Cord Tire. This first quality product—one of the most durable and efficient tires we ever built—can be bought today from Goodyear Service Station Dealers for only

GOODYEAR

GOOD YEAR

Let Us Help You Cut Tire Costs

Underinflation and misalignment of wheels are the chief causes of tire troubles. But they need not worry you.

Our quick, expert service of inspection helps you to overcome these forms of tire abuse and thereby cut your tire costs.

We tell you quickly whether or not your inflation is correct. At the same time we locate other causes of tire wear—wheels out of line, tread cuts, fabric cuts or unevenly adjusted brakes.

As a Goodyear Service Station—our service combines selling you the best tires and then helping you get satisfaction and long mileage from them.

People Buy Cord Tires Because They're Economical

Most of our customers who use Goodyear Cord Tires buy them for one reason—because they are economical.

Some car owners entertain the mistaken idea that Cord tires are an extravagance. Nothing could be further from the truth. Their longer mileage and other advantages, more than justify their slightly higher first cost.

The reason why you, too, should equip your car with Goodyear Cord Tires is found in the following facts:

Freedom from trouble	Saving of gasoline
Improved appearance	Lessening of vibration
Ease of riding	Slower car depreciation
And the all round comfort, economy and security they give.	

If these advantages appeal to you, let us equip your car with Goodyear Cords.

FOUR ARE KILLED AND TWELVE INJURED (Continued from page one)

Captain Joseph E. Jall, assistant to the Chief of Air Service, home in New Haven, Conn.

Private Samuel Weinstock, 4th Ordnance Company, home address 5131 Pine street, West Philadelphia. Seriously injured.

Private Lee S. Hite, Fourteenth air squadron, Martinsburg, W. Va. shell shocked and fractured elbow.

Private Thomas W. Hall, Baltimore, extent of injuries undetermined.

Private Shermer was instantly killed by a fragment of the shell striking him in the head.

Private Grinnell's body was badly mutilated and he died just as they were taking him in the door of the hospital.

OFFICIAL

Common Council

At an adjourned meeting of the Common Council of the City of Alexandria, Va., held May 31, 1921, there were present:

H. R. Burke, esq., president, and Messrs. McCaffrey, Matter, Tier, Downham, Kaufmann, Wattles, Desmond, Drury, Sullivan, Baggett, Ballenger, Lawler, Fletcher, Deavers.

An ordinance to amend an ordinance entitled "An ordinance empowering and instructing the Mayor of the city of Alexandria to execute a contract on behalf of the city Council of Alexandria with Edward E. Mandeville, his successors or assigns, in reference to the furnishing in this city, of light, heat and power, by electricity, which was approved July 25th, 1906, was recommended by the joint committee on light and finance and read the second and third time and passed. Ayes, Messrs. McCaffrey, Matter, Tier, Downham, Kaufmann, Wattles, Desmond, Drury, Baggett, Ballenger, Lawler, Fletcher, Deavers, and Mr. president, 14. Noes Mr. Sullivan 1.

The Board then adjourned.

H. R. BURKE, President
Teste: Daniel R. Stansbury, C. C.

At a called meeting of the Common Council held at 8:30 p. m., May 31, 1921. There were present:

H. R. Burke, esq., president and Messrs. McCaffrey, Matter, Tier, Downham, Kaufmann, Wattles, Desmond, Drury, Sullivan, Baggett, Ballenger, Lawler, Fletcher, Deavers.

The President stated that the meeting was called on the request of five members to consider a veto of the mayor an ordinance to provide for the issue and sale of three hundred thousand dollars of registered or non-registered coupon bonds of the city as passed by the Common Council May 10th, 1921, was returned by the mayor with out his approval. The following message from the mayor was received:

To the City Council of Alexandria, Virginia, Gentlemen:

I return herewith the ordinance adopted by the common council May 10th, 1921, which action was returned in by the Board of Aldermen on May 24th, 1921, and the ordinance to provide for the issue and sale of three hundred thousand (\$300,000) dollars of registered or non-registered coupon bonds of the City of Alexandria, Virginia, called Gas Works, Street Improvement and General Fund Bonds; to provide for the creation of a sinking fund for payment of said bonds and to designate and describe the form of bonds issued by authority and under the provisions of this Ordinance.

I am not able to lend my approval of this ordinance for the reason that it does not seem to me to conform to recognized business principles, nor to meet the urgent requirements and absolute necessities of the City.

This ordinance declares that the bonds referred to are to be issued "for the corporate purpose of said The City Council of Alexandria, and particularly for the Alexandria Gas Works to the amount of one hundred and eighty thousand (\$180,000) dollars, and for street improvement and the general fund to the amount of one hundred and twenty thousand (\$120,000) dollars." This language seems to intimate that the proceeds of the bonds are to be used for contemplated expenditures and for improvements to be hereafter made to streets, and in that respect is wholly misleading and inaccurate, as the following brief statement of the actual unsecured indebtedness of the city will show. All of the amounts set out in the following schedule are due by notes as shown therein, held by the First National Bank of this City, and the whole amount represented by these notes has either actually been already spent or must be spent for debts now due. As a matter of fact all of the money excepting a part of the twenty-five thousand dollars received from the note dated May 12th and credited to the general fund and the note to be issued

May 31st, and to be credited to the account of the Gas Works, has already been spent and what money remains from the two notes referred to must be spent in payment of debts long ago contracted, and for which payment is demanded.

The following is a list of the notes drawn on account of the Gas Works and credited to or to be credited to the gas fund:

Note 1—Dated December 31st, 1918	\$15,000
Note 2—Dated December 31st, 1918	\$15,000
Note 3—Dated March 18th, 1918	\$10,000
Note 4—Dated February 7th, 1920	\$25,000
Note 5—Dated May 14th, 1920	\$10,000
Note 6—Dated August 2nd, 1920	\$10,000
Note 7—Dated December 16, 1920	\$25,000
Note 8—Dated February 17, 1921	\$10,000
Note 9—Dated April 1st, 1921	\$25,000
Note 10—Dated May 3rd, 1921	\$10,000
Note 11—Dated May 31st, 1921	\$25,000
	\$180,000

With reference to the above statement of indebtedness on account of the gas plant, it will be seen that eighty-five thousand (\$85,000) dollars of this amount was incurred before September 1st, 1920, and some of it as far back as December 31st, 1918, and was expended for the operation of the gas plant during that time. Of the ninety-five thousand (\$95,000) dollars charged to the gas plant since December 16th, 1920, practically all has been expended on the permanent improvements at the gas plant, which are now nearly completed and for the purchase of coal. We have an entirely new water gas plant and an entirely new holder and container, all of which are permanent improvements and have certainly improved the value of the gas plant many times, upon which even now has been fixed the very low valuation of two hundred and fifty thousand (\$250,000) dollars.

The following is a list of notes held by the First National Bank, the proceeds of which have been credited to the general fund:

Note 1—Dated October 1st, 1920	\$25,000
Note 2—Dated January 6th, 1921	\$25,000
Note 3—Dated April 16th, 1920	\$10,000
Note 4—Dated May 12th, 1921	\$25,000
	\$85,000

From the above statement it will be seen that the actual unsecured indebtedness of the city due by notes held by the bank is \$235,000. In addition to this there is a note secured by a deed of trust on the City School property which is due and which payment is demanded, which amounts to \$11,000—\$246,000.

In addition to this, it is almost certain that it will be necessary to secure a further loan before the first of July to meet the current expenses and payments that must be made of twenty-five thousand (\$25,000) dollars more and this will have to be paid, unless otherwise provided for, out of taxes that have not been collected.

From this it will be seen that if the contemplated loan issue is limited to three hundred thousand (\$300,000) dollars, the whole of the amount will be required to pay, and will be consumed in paying the debts already due and there will, of course, be no part of such proceeds remaining to be devoted to any sort of improvements.

In this connection I call the attention of the Council again to the request made by the City School Board for an appropriation for the building of a new school of sixteen rooms and the remodeling of Washington School, enlarging it from eight to twelve rooms, for which an appropriation has been requested of one hundred and ten thousand (\$110,000) dollars. The inadequacy of our present school facilities and the necessity of such improvements as those requested by the School Board, are easily seen when it is considered that there are now between three hundred and fifty and four hundred white children in this city who are only provided with a half day's session because of the present overcrowded condition of the schools.

I again call the attention of Council in this connection to the fact that in Rosemont, in which section is located some of the best and most valuable residential property in the city, there is an open sewer into which the sewage from between three hundred and four hundred houses empties. This is not only an unsightly nuisance and source of annoyance to the residents of this section, but is a constant and growing menace to the

health of this community. A street parallel to King street needs paving that should be done at once and West street and the streets around the high school are in such condition that it is practically impossible, without great inconvenience to get to the high school, especially in wet and muddy weather, and as is well known there are many other streets, the names of which can be mentioned by anyone, which are in a deplorable condition and which demand and should receive instant attention and repair.

It is because of the facts above set out, and many additional reasons might be also added, which have impelled me to refuse my assent and approval to this ordinance. I do not believe that the amount provided for is sufficient, either from the standpoint of good business or from the standpoint of civic necessity, as even if such amount was secured, as above set out, we would after the payment of our debts and obligations, have no balance in bank for any sort of needed improvements, which the citizens of this generation are entitled to have and which they demand.

Respectfully submitted,

JAS. M. DUNCAN,

Mayor
The ordinance was passed not withstanding the Mayor's objections, Ayes Messrs. McCaffrey, Matter, Tier, Kaufmann, Wattles, Desmond, Sullivan, Baggett, Ballenger Lawler and Mr. President—11. Noes. Messrs. Downham, Drury, Fletcher and Deavers—4.

A resolution to appropriate \$164 to repairs brick work at the city hall was recommended by the committee on Public Property and passed, ayes 15. Noes 0.

A petition from L. Leroy to erect garage at 1015 King street was referred to the committee on streets. The Board then adjourned.

H. R. BURKE, President
Teste: Daniel R. Stansbury, C. C.

Washday Ironingday Gainaday Two Days' Work in One

Once Monday was washday and Tuesday was ironingday. But this has now been changed! For with a Gainaday Electric Washer-Wringer and a Gainaday Electric Ironer in the home you can do two days' work in one. You can actually gain a whole day each week.

The Gainaday Washer cleanses clothes spotlessly in a few minutes. The Gainaday Ironer irons with a speed and dexterity that hand-work cannot equal. Either or both save for you time, hard work, money.

Easy Terms

Our Special terms make it very easy to own a Gainaday Washer or Ironer—or both! A \$5 down-payment puts either one in your home. The balance can be paid in convenient monthly payments. A remarkably liberal offer. Don't let it pass.

Free Demonstration

You'll never appreciate what wonderful time, labor and money saves the Gainaday Washer and Ironer are, until you see them at work. We will gladly give you a free demonstration any time in your spare time. Come in today. It won't cost you a cent.
